Subject: PRESEASON PARTS ORDERS FOR 2015/16 SEASON

We invite Dealers to take advantage of our Preseason Order programme for the 2016 Seeding Season. Preseason Orders give Dealers the opportunity to ensure availability of spare parts at times that best suit their requirements. Preseason Orders also offer a direct financial benefit to allow Dealers to compete more strongly on early customer orders, for wear-parts in particular.

Details of the programme are set out below:
