## **PARTS BULLETIN No. 2-19**

**1-07-19**

### **Subject: PRE-SEASON PARTS ORDERS FOR 2019/20 SEASON**

Our Pre-season Order (PSO) programme for the 2019/20 Seeding Season will commence earlier than in previous years so that delivery of these orders will be in Dec / early Jan (or earlier if available). PSOs allow Dealers to order spare parts early with a higher discount rate than Weekly or Daily orders.

If more than 100 PSO items are required on a single order, then Dealers are asked to place the remaining items on another Sales Order (SO) with a note **"PSO #2"** in the notes section. Note: PSO will only be processed on a max of two SOs.

Orders - PSO are to be received between **1Jul – 30 Sep19.**

Received via the web store portal and labelled **"PSO"** in the notes section, which is located below customer reference.

Shipment - During **Dec 2019 & Jan 2020**

- Dealer nominated freight acct, pick up or possibly with **3 frame** machines if leaving Dec/Jan.
- To be **collected within two weeks** of order completion.

Value - Minimum order value \$15,000 DNP.

Discount - 30% of RRP

Terms - 60 Days from shipment (Generally due Feb/Mar 2020)

### **NOTE:**

The above applies to normal spare parts which includes: Multistream, Individual DBS Tine, Coulter, Easitill and Ausplow deep ripper **components and wear parts.** PSOs and Weekly Stock Orders exclude: Machine Upgrades, Wing Extensions, Hydraulic Cylinders, Special Options, Coulter Kits, Air-Kits, Liquid Kits, Tine Assemblies, Seeding Units, Lighting Kits, Camera Kits, Tow Hitch Kits and other major assemblies.
