## **PARTS BULLETIN**

**No: 3-23**

**27-06-23**

### **Subject: Pre-Season Parts Orders for 2023/24 Season**

Our Pre-Season Order (**PSO**) programme for the 2023/24 Seeding Season will commence in Jul so that delivery of these orders will be late 2023 & early 2024. PSOs allow Dealers to order spare parts early with a higher discount rate than Weekly or Daily orders.

If more than 100 PSO items are required on a single order, Dealers are asked to place the remaining items on another Sales Order with a note "**PSO No2**" in the notes section.

PSOs will only be processed on a max of 2 orders. If your PSO contains more than 200 items, email these items to Ausplow Parts who will manually enter them on the end of your PSO No2 order.
