## **PARTS BULLETIN No. 4-12**

**13-09-12**

### **Subject: PRE-SEASON PARTS ORDERS FOR 2012/13 SEASON**

We invite Dealers to take advantage of our Pre-Season Order programme for the 2013 Seeding Season. Pre-Season Orders give Dealers the opportunity to ensure availability of spare parts, at times that best suit their requirements. Pre-Season Orders also offer a direct financial benefit, to allow Dealers to compete more strongly on early customer orders, for wear-parts in particular.

Details of the programme are set out below;

### **PRE-SEASON ORDERS**

In line with general industry practice, this will be a single order per branch, with one or two deliveries (subject to stock availability), prior to the season.

|            |                                                                                                      |
|------------|------------------------------------------------------------------------------------------------------|
| Orders -   | To be received by 30 <sup>th</sup> November 2012                                                     |
| Shipment - | During January & February 2013. (with machines where possible, otherwise by Dealer nominated method) |
| Discount - | 30% of RRP                                                                                           |
| Terms -    | 60 Days from end of month (due end of March/April 2013)                                              |

**NOTE:** The above applies to normal spare parts and accessories, but does not include upgrades, or special options, which continue to be subject to production capacity and with a discount of 20%.
