PARTS BULLETIN No. 4-17

15-09-17

Subject: PRE-SEASON PARTS ORDERS FOR 2017/18 SEASON

We invite Dealers to take advantage of our Pre-season Order programme for the 2018 Seeding Season. Pre-season Orders give Dealers the opportunity to ensure availability of spare parts at times that best suit their requirements. Pre-season Orders also offer a direct financial benefit to allow Dealers to compete more strongly on early customer orders, for wear-parts in particular.

Details of the programme are set out below:

PRE-SEASON ORDERS

In line with general industry practice, this will be a single order per branch, with one or two deliveries (subject to stock availability) prior to the season.

- | | |
|------------|--|
| Orders - | Single order to be received by 30 th November 2017.
To be received via web store portal and labelled PSO in the notes section, which is located below customer reference. |
| Shipment - | During January & February 2018 with machines where possible (only single or 3 frame machines), otherwise by Dealer nominated method. |
| Discount - | 30% of RRP |
| Terms - | 60 Days from shipment (Generally due March/April 2018) |

NOTE:

The above applies to normal spare parts which includes; individual DBS tine, coulter, Easitill and Ausplow deep ripper components, and Multistream wear parts.

The pre-season order program excludes Machine Upgrades, Wing Extensions, Special Options, Coulter Kits, Air-Kits, Liquid Kits, Tine Assemblies, Seeding Units, Camera Kits, and Tow Hitch Kits. These items will be sold at less 20% and are subject to production capacity. Some items may be excluded at Ausplows discretion.
