Subject: PRE-SEASON PARTS ORDERS FOR 2014/15 SEASON

We invite Dealers to take advantage of our Pre-Season Order programme for the 2015 Seeding Season. Pre-Season Orders give Dealers the opportunity to ensure availability of spare parts, at times that best suit their requirements. Pre-Season Orders also offer a direct financial benefit, to allow Dealers to compete more strongly on early customer orders, for wear-parts in particular.

Details of the programme are set out below;
