## **PARTS BULLETIN No. 6-15**

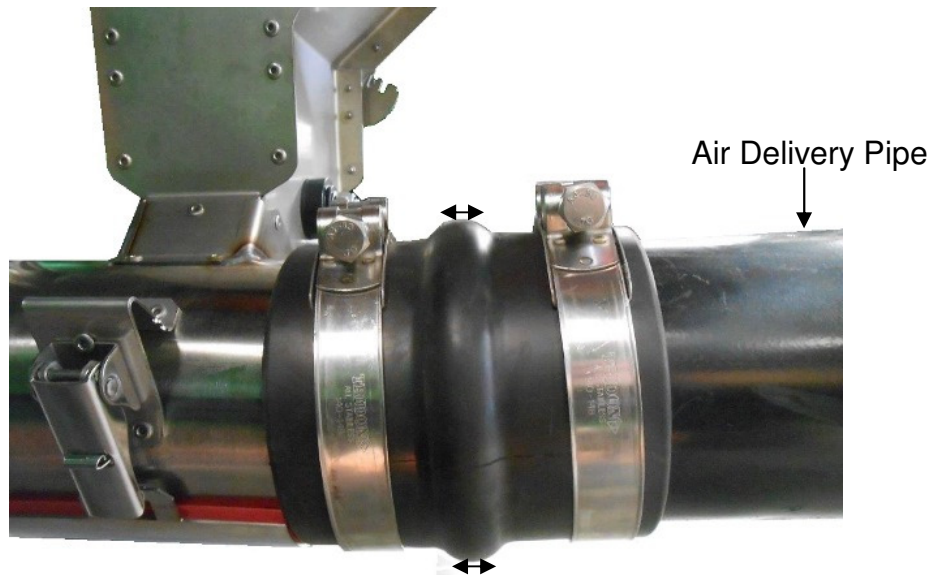

**01-04-15**

**Subject: NEW PART - SINGLE HUMP COUPLER P/N 27288 / 27289**

From March 2015 all new Ausplow Multistream air delivery hose kits will now be supplied with a new design joiner (single hump coupler) to help reduce potential air leaks, and provide increased serviceability.

**Single Hump Coupler 127mm EDPM Part Number 27288** is a direct replacement for 5" butt clamp P/N 09703, however requires two additional T-bolt hose clamps P/N 09744.

**Single Hump Coupler 152mm EDPM Part Number 27289** is a direct replacement for 6" butt clamp P/N 09644, and also requires two additional T-bolt hose clamps P/N 09512.

Ausplow recommends trimming the steel air delivery pipe to create a 20mm gap between air pipes to provide proper fitment of the coupler.

**27288 Single Hump Coupler 127mm EDPM**  
09744 Hose Clamp T-Bolt 131-139 SS

**27289 Single Hump Coupler 152mm EDPM**  
09512 Hose Clamp - T-Bolt -162-174SS

Note: Both 5" butt clamp P/N 09703, and 6" butt clamp P/N 09644 will continue to be supported for spare parts.
