### **Subject: Ausplow EVOLUTION Air Seeder Hose**

Ausplow has released the Evolution Air Seeder hose following extensive trials and tests.

The new Evolution hose is a high-quality hose with special ribbing on the outside to improve its bend radius making it easier to install and less prone to hose collapse when bent.

This range is exclusive to Ausplow, all prices shown are RRP excl gst:

- |               |  |                |
