**PARTS BULLETIN No. 8-08**

**03-11-08**

**Subject: PRE-SEASON PARTS ORDERS FOR 2008/09 SEASON**

Our Pre-Season Order system has, over the past few seasons, given Dealers the opportunity to ensure availability of spare parts at times that best suit their requirements.

Pre-Season Orders also offer a direct financial benefit , to allow Dealers to compete more strongly on early customer orders, for wear-parts in particular.

Details of the programme are set out below;

## **PRE-SEASON ORDERS**

In line with general industry practice, this will be a single order per branch, with one or two deliveries (subject to stock availability), prior to the season.

Orders -	To be received by 30 <sup>th</sup> November 2008
Shipment -	During January & February 2009. (with machines where possible otherwise by Dealer nominated method)
Discount -	30% of RRP
Terms -	60 Days from end of month (due end of March/April 2008)

**NOTE:** The above applies to normal spare parts and does not include upgrades, or special options, which continue to be subject to production capacity and with a discount of 20%.
