<u>SERVICE BULLETIN No.</u>	2-10	

Subject: **MULTISTREAM METERING UNIT**
 - Drive Chain Maintenance
 - New Product

The Drive Chains on Multistream Metering Units are normally not subjected to heavy loads, but will benefit from protection against attack from aggressive fertilisers.

There are numerous methods for cleaning and protecting chains and as many Products available to help.

A new product which we have started to use is "MAXIMA CHAIN WAX". It is available in a Spray Can and a picture is attached.

For those who do not have a local supplier of this product, we are making it available as a spare part.

Part Number: 18234
Description: Chain Wax - Chain & Cable Lube - 383gm Spray Can
RRP: \$23.10 excluding GST
