PARTS BULLETIN

No. 2-23

15-03-23

Subject: PSO & WSO Allowable Parts List dated 15 Mar23

This Bulletin supersedes Bulletin 9-22.

Ausplow has conducted a review of the Allowable Parts List for Weekly Stock Orders (WSO) and Pre-Season Orders (PSO).

The below parts have now been added to the Allowable List:

#02051 DURA BLADE ASSEMBLY

NEW PART

#34395 90mm SCRAPER **CURVED** V4 TINE
– SUITS 31813 PW

Please note the #32910 curved scraper is for exclusive use with the 110mm Rounded Press Wheel.

The Allowable Parts List dated 15 Mar23 is attached in the email as an Excel sheet and it is recommended a copy is printed and is made available at your Webshop ordering station.

Please remember when placing an order to add in the Notes section the words “WEEKLY STOCK ORDER” when placing a WSO or “PRESEASON ORDER” when placing a PSO. If the order is a DAILY Order, there is no need to place any words in the Notes section.

Any part that is not on the Allowable Parts List can only be ordered as a DAILY Order.
